### THE ALYTH SUKKOT SLEEP-IN (FROM 20:30)

This year would have been the 29th annual Sukkot Sleepout. As we are unable to join together in our Sukkah as normal, in its place we are delighted to announce the first (and hopefully only) Alyth Sukkot Sleep-In!

We are inviting the whole Alyth community, and especially our young people, to create an indoor temporary dwelling to sleep in overnight. Use blankets, pillows, fairy lights and lots of imagination, before joining our special online activity for the evening:

#### 20:30 Oneg Shabbat and virtual star gazing

An evening of songs and readings from members' homes. As well as singing together we will also explore the stars together as if we were looking through the roofs of our sukkah on a clear autumn night.

*To join the virtual star gazing aspect of the evening, please download SkyView Lite*
