

Alyth Purim Baby Den

Chug-a-lug-a-lug and shalom to you x 3
Baby Den is coming
WOO WOO!

Little old engine sure can roll x 3
She drinks water, she eats coal!

I stand on a hill and I wave my hand x 3
I want a ride with the railway man!

I wish I was in that red caboose x 3
And they would never turn me loose!

There she goes around the bend x 3
Tomorrow she'll come back again!

We all clap hands together x 3

It's Baby Den we do

We all sing songs together

We all dance around together

We all make music together

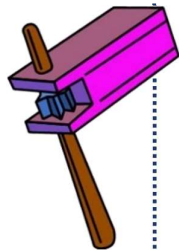

We see Rabbi Hannah together

We see Cantor Tamara together

We all shake groggers together

We all wear masks together

We eat Hamantaschen together

Purim time is upon us,
We'll be singing some crazy tunes,
Yes everything's topsy turvey,
I mean, we eat cookies filled with prunes!

Shake, shake, shake your grogger
Shake your grogger right!
Shake, shake, shake your grogger
Shake it all in time.

Work, work, work your grogger,
Work your grogger right!
Work, work, work your grogger,
Work it all in time.

Well there was a guy named Haman,
He tried to kill off the Jews,
But thankfully brave Esther saved us,
She knew what to do with no time to lose!
She jumped in the line, put her mask on,
drink some wine, (ok I believe you)
jump in the line, everything will be fine!

Everyone's dressed up in costumes,
we march around in parades
'cause us Jews, if you give us lemons
we'll make-a lemonade

The moral of this megillah
is stand up for what you feel
and if you try to kill us
we'll boo out your name...
and make a Purim spiel

If you hear the name of Haman,
stamp your feet

If you hear the name of Haman,
stamp your feet

If you hear the name of Haman,
If you hear the name of Haman,
If you hear the name of Haman,
stamp your feet!

If you hear the name of Esther,
clap your hands...

If you hear Achashverosh, turn around.

If you hear Mordechai, shout hooray!

Ani Purim, ani Purim,
Sameach Umvadeyach.
Halo rak pa'am bashana
Avo lehitareyach.

My name is Purim and I come,
Great fun and frolic bringing!
Just once a year I visit you,
To cheer you with my singing!

Hoorah Purim, hoorah Purim,
I love your merry drumming,
And if I had my way Purim,
Each month you would be coming!

Mr Purim tell us why,
We see you only yearly,
Please make it once or twice a week,
Because we love you dearly.

Can you touch your af just like me?
All around the ring!

Can you touch your lekhi just like me?
Can you touch your santer just like me?
Can you touch your eiyn just like me?
Can you touch your peh just like me?
Can you touch your ozen just like me?
Can you touch your rosh just like me?
Can you touch lashon just like me?

La-kova sheli shalosh pinot
Shalosh pinot la-kova sheli
Lu'lay hayu lo shalosh pinot,
Lo hayah zeh ha-kova sheli

My hat it has three corners
Three corners has my hat
And if it doesn't have three corners
It cannot be my hat!

Doors on the ark go open and shut
Open and shut, open and shut
Doors on the ark go open and shut
On Shabbat

Bells on the Torah go dingalingaling

People in the shul stand up sit down

The Rabbi in the shul prays loud and clear

The Purim parade,
The Purim parade,
We'll march along together in the Purim Parade!
The Purim parade,
The Purim parade,
We'll march along in merry masquerade!

We'll tell a tale of the brave Esther,
And then there's Mordechai,
Two heroes of the Jewish people!
Achashverosh king of Persia,
And there's Haman,
Turn your grogger, turn your grogger,
He's an evil man!

We'll have a Purim spiel and carnival,
We'll offer gifts so grand and
Read the scroll of Esther.
Feast on Hamantaschen,
Shaped just like the hat of Haman!
Turn your grogger, turn your grogger,
He's an evil man!

The Purim story gives us courage,
In times of trouble we must help each other,
Keep our people safe and strong,
Protected from the likes of Haman,
Turn your grogger, turn your grogger,
He's an evil man!

Bim bam, bim bim bim bam
Shabbat Shalom, hey!
Shabbat Shabbat
Shabbat Shabbat shalom X2

I can play at peek-a-boo,
You can play at peek-a-boo,
Are you there? Yes I am!
Are you there? Yes I am!
Peek-a...Peek-a...Peek-a...
Peek-a-BOO!

Nosh nosh, a hamantash
Nosh nosh, a hamantash now!
Roll, roll, roll the dough with me,
Roll it flat and you will see,
Haman's hat was just like that!
Let's nosh a Hamantash now!

Cut, cut, cut the dough with me...
Fill, fill, fill...
Fold, fold, fold...
Bake, bake, bake...
Eat, eat, eat...

Challah in the oven gonna watch it rise
Right before my very eyes!

Gonna knead the dough and make it
light
Twist and braid so it's nice and tight!

Gonna take it out while it's nice and hot
Were gonna eat it up right on the spot!

Shalom, chaverim, Shalom, chaverim,
Shalom, shalom;
L'hitra'ot, L'hitra'ot,
