(33) The Eternal spoke to Moses and Aaron, saying: (34) When you enter the land of Canaan that I give you as a possession, and I inflict an eruptive plague upon a house in the land you possess, (35) the owner of the house shall come and tell the priest, saying, "Something like a plague has appeared upon my house." (36) The priest shall order the house cleared before the priest enters to examine the plague, so that nothing in the house may become unclean; after that the priest shall enter to examine the house. (37) If, when he examines the plague, the plague in the walls of the house is found to consist of greenish or reddish streaks that appear to go deep into the wall, (38) the priest shall come out of the house to the entrance of the house, and close up the house for seven days. (39) On the seventh day the priest shall return. If he sees that the plague has spread on the walls of the house, (40) the priest shall order the stones with the plague in them to be pulled out and cast outside the city into an unclean place. (41) The house shall be scraped inside all around, and the coating that is scraped off shall be dumped outside the city in an unclean place. (42) They shall take other stones and replace those stones with them, and take other coating and plaster the house.
