

Alyth

High Holy Days Appeal 5782

The Yamim Noraim (Days of Awe) are a time when we are deeply aware of our duty to care for one another and the world around us. It is an opportunity to offer our support to those who need it most by living the Jewish value of tzedakah, of giving what each of us is able to.

Once again, we are asking for your support for the four Alyth funds that are at the heart of our communal giving. The funds have both an internal and external focus, supporting the needs of our members as well as projects and causes beyond our own community. The four funds are uniquely structured to enable our community to respond to short and long term funding needs, and emergencies when they arise.

Details of the **Clergy Jewish Participation Fund**, the **Community Care Fund**, the **Social Justice Development Fund** and the **Alyth Charities Fund** can be found overleaf.

The easiest way to donate is online. The links for online payment are on the back of the leaflet. If you do wish to donate using your credit card or by cheque, please complete the form and return it by mail to Alyth.

The Jewish values of tzedakah and tikkun olam are at the heart of our thriving, caring community. Our four community funds have been a lifeline to many this past year. Your support will enable us to continue to care for and sustain our members and those around us.

Thank you for being our partners in making the world a better place.

ONE MORE THING...

Have you thought about leaving a legacy to Alyth?

Leaving a legacy is a gift for today and for future generations. We would love to speak with you about remembering Alyth in your will. Click **here** (or email legacies@alyth.org.uk) and we will be delighted to get back to you.

Clergy Jewish Participation Fund

The **Clergy Jewish Participation Fund** is set up to support Alyth members to lead full Jewish lives, enabling them to participate in Jewish programmes and activities that are run and organised by Alyth and other external organisations, without finance being a barrier to participation.

The **Clergy Jewish Participation Fund** supports members needing financial assistance to come to our Kindergarten, to go on Summer schemes and trips and weekends away, and to attend wider Jewish community conferences and events.

Over the past eighteen months there has been a reduction in the delivery of many schemes, learning opportunities and programmes. As we emerge from the pandemic, these activities will undoubtedly resume. This past Summer, our own and the Movement run Summer schemes and camps have gone ahead in a Covid-safe way. Enabling members of all ages to lead full, participative Jewish lives is a priority for us. With your support, the Clergy Jewish Participation Fund ensures that we are able to fulfil this obligation.

To find out more or to access support from the fund, please speak to a member of our Clergy Team via their personal email addresses or call them on 020 8455 6763.

Alyth Community Care Fund

The **Alyth Community Care Fund** supports those who need dedicated support, activities and social interactions. It also funds welfare and wellbeing activities, and provides financial support at critical moments to those who need it most.

During the pandemic the fund was able to provide vital support services, pay for food and medical deliveries and help with the payment of bills at difficult times. The running costs of the Alyth minibus are covered by the fund, enabling us to use it for transporting members, dropping-off donations at food banks and for our Simchat Torah, Torah Tour.

Without the funds raised through the High Holy Days Appeal, the Community Care Fund would not be able to continue to fund the provision of social and cultural activities that enrich the lives of so many of our members and ensure that when members are ready to, they can come to Alyth to enjoy these activities and our regular services. To find out more, please contact Lynette Chazen, our Head of Community Care and Lifecycle on lynette@alyth.org.uk

Social Justice Development Fund

The **Social Justice Development Fund** was established to express the value of tzedek (justice) through our support for ongoing and new social justice projects that happen within our community and externally.

The Social Justice Development Fund contributes to the longstanding work of the Alyth Drop-In for Recent Refugees and supports Alyth's engagement with environmental issues and homelessness. It also enables us to sustain and build strong interfaith relationships both locally and further afield.

Helping to build a better world is core to our Jewish values, more so than ever as we transition out of the pandemic. It is incumbent on us to address issues of social, racial, and economic injustice and to provide financial support to those in need. The Social Justice Development Fund is a vehicle for Alyth to do this.

Your support will make a difference. Application forms can be found on our website www.alyth.org.uk (or online by clicking [here](#))

Alyth Charities Fund

The **Alyth Charities Fund** enables us to support a range of external charities and causes by giving small grants to discrete projects. The fund supports projects in the UK, Israel, and the wider world. It also allows us to respond promptly to emergency appeals.

The Jewish value of tikkun olam (repairing the world) is at the centre of our giving. The Alyth Charities Fund enables us to live this important value and to work together with like-minded organisations who are committed to creating a better, safer world.

Applications are welcome from external charities and from Alyth members on behalf of charities that they care about. Applicants need to comply with a clear set of criteria, supported by an efficient and transparent process for approval of applications and distribution of the funds.

We look forward to receiving applications in 2021-22 and through your generosity, supporting many different charitable initiatives that are helping to build a better world. Application forms can be found on our website www.alyth.org.uk (or by clicking [here](#) if you are online)
