

June 2025

Dear Alyth Kindergarten Parents,

Fees: 2025-26

We are writing to you about your termly Kindergarten fees for the coming year. Fees are set at the beginning of each academic year, taking into account the rate of inflation based on CPI (Consumer Price Index). The annual increase in our fees enables us to maintain the highest standard of staffing and resources, which has been reflected in our 'Outstanding' rating from Ofsted. We believe that we remain competitive compared to similar settings and continue to benefit from financial and other support from the Synagogue.

As you are aware, the local authority pre-school funding entitlement for 15 or 30 hours is applicable in the term *following* a child's third birthday, which contributes towards your total fees.

Some children under 3 years old may qualify for 15 or 30 hours 'working family' or 'disadvantaged' funding, which needs to be applied for and is not granted automatically:

Fees Per Term Per Pupil	Members	Non-Members

Please note that there is currently no additional charge for security provision for the Kindergarten, as we receive funding from a government grant available for this purpose. The grant is reducing in size each year and in the coming year it will not cover the full cost of security. The Synagogue has agreed to cover the shortfall this year, rather than passing it on to Kindergarten parents. However, future funding will need to be agreed, as this arrangement is not guaranteed.

Please contact Tor Alter our Head Teacher, should you wish to discuss any aspect of the Kindergarten or your fees, or our administrator on kgadmin@alyth.org.uk to enquire about your funding entitlement.

Yours sincerely,

Juliet Levinson

I agree that payment will be made in full for the academic year 2025/26 according to the applicable fees listed in the table above. NB: Please note, that when your child is eligible for Barnet Funding i.e., 3 and 4 year old funding (15 hrs and 30 hours for those eligible), 2 year old working funding (15 & 30 hour), 2 year old disadvantaged funding (15 & 30 hour), your invoice will reflect any funding deductions although there will be an Alyth Contribution (see attached explanation) which equates to the figures shown in the table above.
